	member	non-member
Student	FREE	\$25
Regular	\$50	\$75

Call for proposals: DEADLINE AUGUST 15, 2006

Metropolitan Community College is proud to sponsor the 2006 Midwest Society for Photographic Education regional conference October 26-29. The theme "scanning the horizon" allows for broad interpretations of photographic practice and we encourage proposals for imagemaker presentations, lectures, panels and workshops from students and professionals. Times and formats are specified on the proposal form pdf. The Midwest Regional Conference Committee will determine the final schedule of presenters by Sept. 1, 2006. All presenters will receive a conference fee waiver.

We welcome all proposals including those from potential "Portfolio Preparation" panelists to present information on portfolios for undergraduate, transfer and graduate admissions as well as academic and commercial employment.

Please help us to identify candidates for this year's Honored Educator and Featured Speaker, Artist Residency programs in our region and Portfolio Reviewers for students and professionals. Contact Conference Co-Chairs Larry Gawel (lgawel@mccneb.edu) or Dana Fritz (dfritz2@unl.edu) with suggestions.
